

35m Excavator Telescopic Dipper Arm For Construction Work Big Bucket Capacity

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: China
- Brand Name: Zhonghe Machinery
- Certification: CE, patent, ISO
- Model Number: 24m 28m 30m 32m 35m
- Minimum Order Quantity: 1 set / piece
- Price: USD 200.00-USD7900.00
- Packaging Details: bubble / wooden cases
- Delivery Time: 7-20/works
- Payment Terms: T/T, L/C
- Supply Ability: 4 sets per week

Product Specification

- Apply To: Digging Sand, Soil, Silt Etc
- Digging Depth: 25m 30m 32m
- Color: Customized
- Material: BS900E, Q355B, Lighter And Stronger
- Warranty: 6 Months
- Suitable Excavator: 20 Ton Excavator Or Above
- Highlight: **35m Excavator Telescopic Dipper Arm, Construction Work Excavator Dipper Arm, Clamshell Bucket Excavator Dipper Arm**

Product Description

Construction Work Tool Excavator telescopic boom telescopic excavator with clamshell bucket for digging sand soil silt

Click here to have our product catalog: [2024 Zhonghe Machinery--Product Catalog.pdf](#)

Quick Details:

Construction work's versatility: Excavator telescopic arm is commonly equipped with a clamshell bucket / standard bucket / grabs for construction working, the digging depth can reach 20m 25m 32m 35m etc.

Lighter and stronger: The delicate design and the lighter and stronger material chose, the telescopic arm is with lighter and stronger features, the telescopic arm is high-strength and not easy cracking.

Description:

The telescopic arm's front attachment can be customized with various tools, including clamshell buckets, standard buckets, grabs, orange peel bucket or other implements. The design of the telescopic dipper arm allows for smooth and efficient operation, enhancing productivity. Constructed with high-quality materials such as robust MC steel, multi-strand wire ropes, and high-speed heavy-duty bearings, each telescopic arm is engineered to deliver superior performance and reliability. Cutting edge telescopic arm is suitable for various working condition.

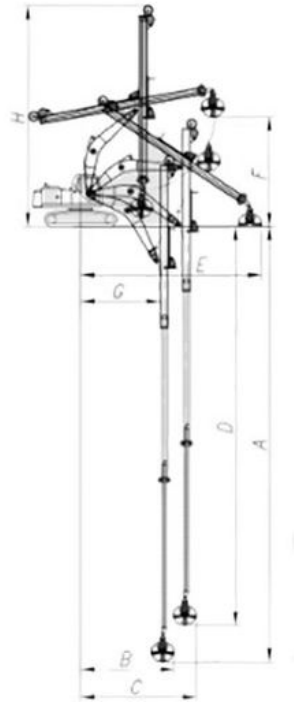

Specifications of one set of sliding dipper arm:

One set clamshell Telescopic Arm include excavator telescopic arm, one clamshell bucket, other accessories.

Digging Depth(m)	Excavator model(ton)	clamshell bucket (cbm)
12	20-25T	0.6
14		0.4
16		0.4
18		0.4
20	26-28	0.6
20-25m	30-38T	1.5 cbm
	35-38T	2.2 cbm
26-30m	36-50T	1.5 cbm
		1.5 cbm
		2 cbm
		2 cbm
		2.2 cbm
		2.2 cbm
31-32m	40-50T	2.2 cbm
		2.5 cbm

Welcome to send your excavator model to us. Suitable length of excavator clamshell telescopic boom will be recommended according to your excavator model.

Advantages of Telescopic arm for sale:

Premium Material: The telescopic arm is constructed using a lightweight yet exceptionally strong tube material known as BS900E, which significantly enhances its overall performance and durability.

Premium Accessories: The high-quality accessories included with the excavator are designed to extend the service lifespan of the equipment, ensuring it remains reliable and efficient over time.

Professional Design: The thoughtfully engineered design of the telescopic arm not only guarantees high operational effectiveness but also provides increased resistance to wear and tear, allowing it to perform optimally under demanding conditions.

Feedback from Clients

from Jimmy:
cool, the telescopic boom
works effectively. suitable for
grabbing.

from Michael:
suitable for digging caisson.
save energy.

from Tonny:
Very excellent telescopic boom.
on my excavator suitably. perfect

from Tom:
The boom works very good.
safe and balanced operation
very nice service.

Production Advantages:

- * Full Experienced Staffs
- * Precision Machine
- * 24h available service, welcome to contact

Production Advantages

01 >>

Panel is cut by
CNC plasma
machine with
less deformation

《02

Tolerance within
5-10um, ensure
the accuracy of
hole

03》

GMAW-Gas
Metal Arc
Welding

《04

Environmentally
friendly verified
spraying room.
Professional and
beautiful paint
finish

Certifications:

* Patents--professional & experienced
