## Product Description

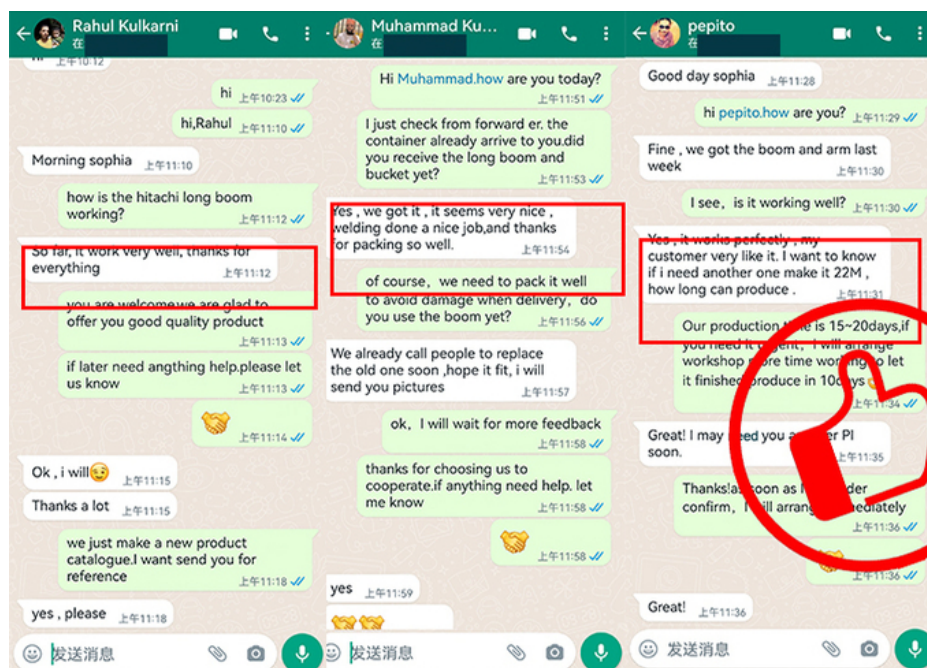

### Q355B Q690D Long Excavator Boom Long Reach Boom Long Reach Excavator Reach

#### Introduction of one set of our long reach boom excavator:

- \* Suitable for every excavator brand: Sany Hitachi Komatsu Kobelco Zoomlion etc
- \* Longer service life-span comparing to other brands: Enhanced design make sure that every set excavator long arm not easy cracking and can bear huge stress.
- \* Lower fail rate comparing to other brands: Every excavator accessors of excavator long arm we adopt are high quality. From design of long reach boom arm to material, our long reach boom excavator are perfect.

#### Clients' feedback of our long reach boom excavator:

- \* More than **2000 clients** chose our long excavator boom \*More than **50 excavator brand agents** partners

#### CHOICE OF LANGUAGE

#### Long reach boom excavator's display:

- \* Versatility \*Professional \* Full Tests

Production details of our long reach excavator reach:

## Production Advantages

# 01»

Panel is cut by  
CNC plasma  
machine with  
less deformation

# «02

Tolerance within  
5-10um, ensure  
the accuracy of  
hole

# 03»

GMAW-Gas  
Metal Arc  
Welding

《04

Environmentally friendly verified spraying room. Professional and beautiful paint finish

## Welcome Perks Await.
