Product Description

Mechanical excavator quick hitch digger quick hitch quick coupler hitch for cat hitachi komatsu sany

There are two types of excavator quick hitch: mechanical quick hitch, hydraulic quick hitch

Suitable excavator model: 1ton--20ton excavator, 5 ton excavator, 3 ton.

Features: safety and high effective

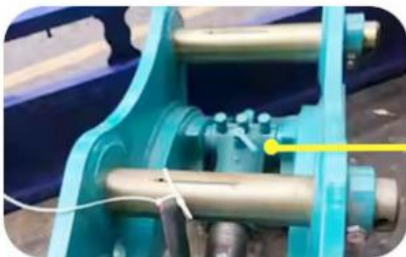

Mechanical quick hitch is very suitable for small excavators, its very easy to operate. Screw will be used in adjusting the extending and retracting the quick hitch coupler. Our excavator quick coupler has two protections: one is safety pin, one is safety lock which will ensure full safety.

Why our excavator quick hitch is more excellent than other suppliers?

- * Material: we use better materials which is more wear resistant and longer life-span.
- * Design: two protections which are safe enough.
