

## Q355B Thickened Steel Plates Excavator Tunnel Arm Premium

Our Product Introduction

for more products please visit us on [excavatorlongarm.com](http://excavatorlongarm.com)

### Basic Information

- Place of Origin: China, Guangdong Province, Jiangmen City
- Brand Name: Kaiping Zhonghe Machinery
- Certification: CE, patent, ISO
- Model Number: SDB0012
- Minimum Order Quantity: 1 set / piece
- Price: USD 162.00-USD4999.00
- Packaging Details: bubble or wooden case
- Delivery Time: 6-35/works
- Payment Terms: T/T, L/C or others as you request
- Supply Ability: 5 sets per week

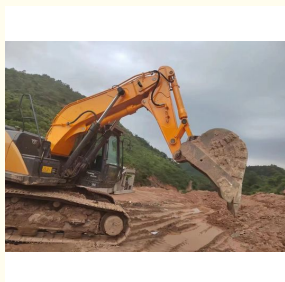

### Product Specification

- Features: Longer Life-span And High Effective
- Apply To: 6ton--50 Ton
- Material: Shaogang Q355B
- After-sales Service: Available, 24H Available
- Suitable Working Condition: Digging Tunnels, House Foundation
- Plate Thickness: Thickened
- Warranty: 6 Months For The Arm And Boom
- Cylinders: Enlarged Cylinders, Bucket Cylinder, Stick Cylinder
- Highlight: **Premium Excavator Tunnel Arm,  
Q355B Excavator Tunnel Arm,  
Thickened Steel Plates Excavator Tunnel Arm**
