

## Long Reach Boom Excavator Better Welding Use Q355B Famous Brand

Our Product Introduction

for more products please visit us on excavatorlongarm.com

### Basic Information

- Place of Origin: China, Guangdong
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: LRB009
- Minimum Order Quantity: 1 set / piece
- Price: USD 3000.00-USD7000.00
- Packaging Details: bubble / wooden cases / others as you request
- Delivery Time: 5-20 days
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

### Product Specification

- Material: Q355B Or Q690D
- Suitable Working Condition: Digging Sand Soil Silt
- Suitable Excavator: Cat Hitachi Komatsu Sany
- Quality: Premium
- Length: 6 M Tp 22m
- Key Word: Long Reach Arm
- Highlight: **Famous Brand Long Reach Boom Excavator, Q355B Long Reach Boom Excavator, Better Welding Long Reach Boom Excavator**

## Product Description

### Excavator long reach arm--a versatility tool in Dredging

Kaiping Zhonghe Machinery's excavator long reach arm is engineered specifically for dredging applications, providing exceptional durability and performance. Its design incorporates high-quality steel materials, such as Q355B and Q690D, which ensure a longer service life and resistance to cracking. This robust construction allows the excavator to handle demanding tasks in various environments, making it an ideal choice for contractors looking for reliability and efficiency in their dredging operations.

The use of advanced materials not only enhances the strength of the long reach arm but also contributes to its overall stability during operation. This means that users can expect consistent performance even under heavy loads or challenging conditions. By investing in an excavator long reach arm from Kaiping Zhonghe Machinery, operators can significantly improve their productivity while minimizing maintenance costs, ultimately leading to a more profitable and sustainable dredging process.

Kaiping Zhonghe Machinery is a big manufacturer of excavator telescopic arm, excavator long reach arm, excavator demolition arm, etc.
