

## 8M 10M 12M Telescopic Arm Excavator Use Q355B Big Manufacturer

Our Product Introduction

for more products please visit us on excavatorlongarm.com

### Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: HB007
- Minimum Order Quantity: 1 set / piece
- Price: USD 139.00-USD5999.00
- Packaging Details: bubble / wooden cases / others as you request
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

### Product Specification

- Material: Q355B
- Long Reach: 6m 8m 10m 12m 16m
- Warranty: 6 Months
- Color: Customized
- ODM/ OEM: Available
- Manufacturer: Yes

## Product Description

### 12M telescopic arm excavator telescopic boom excavator

#### Introduction of one set of excavator telescopic boom:

The premium telescopic arm excavator operates with high effectiveness in construction work, offering exceptional reach and versatility for various tasks. Excavator telescopic boom innovative design allows for seamless extension and retraction, enabling operators to access challenging areas and perform intricate maneuvers with precision. Telescopic cab excavator's capability is particularly beneficial for projects requiring deep excavation or work at elevated heights. With its robust construction and advanced hydraulics, the telescopic arm can handle heavy loads while maintaining stability and control. As a result, hydraulic telescoping excavator significantly enhances productivity and efficiency on job sites, making it an invaluable asset for construction professionals.

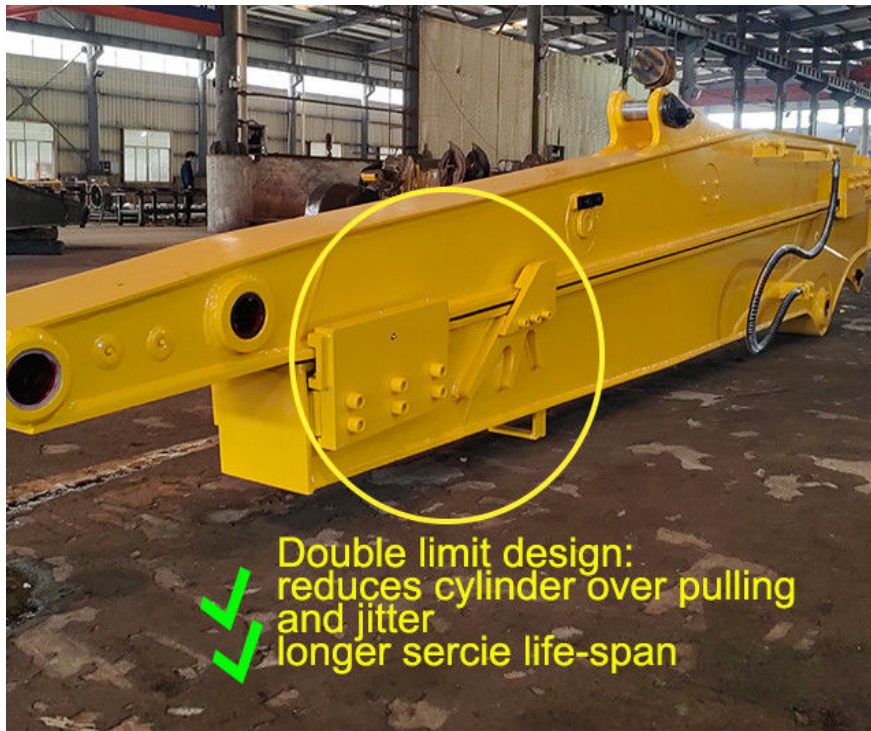

#### Some excellent design of our hydraulic telescoping excavator which excel others:

its easy for the pipeline jumps up, causing damage to the pipeline.

Welded on, less vibration and longer service life.

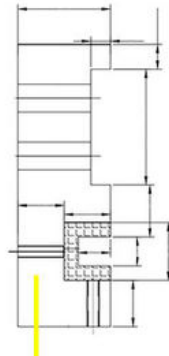

Double limit design  
reduces cylinder over pulling  
and jitter

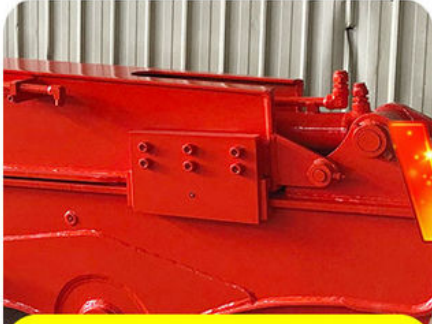

Huge vibration  
cylinder easy to fail

Thicken  
Reduce cracking and failure rate

Longer service life-span

Easy to fail and crack
