

Excavator Tunnel Arm Heavy Duty Digging Tunnel Narrow Places

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: SDB007
- Minimum Order Quantity: 1 set / piece
- Price: USD 1000.00-USD9000.00
- Packaging Details: bubble / wooden cases / others as you request
- Delivery Time: 5-20/working days
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

Product Specification

- Features: Heavy Duty Longer Service Life-span
- Warranty: 6 Months For Arm And Boom, 3 Months For Bucket
- Working Condition: Digging Tunnel, Hard Rock
- Connectors: High Quality Connectors
- Suitable Excavators: 6ton - 60ton
- Material: Q355B Q690D Or Others As You Request
- Highlight: **Narrow Places Excavator Tunnel Arm, Digging Tunnel Excavator Tunnel Arm, Heavy Duty Excavator Tunnel Arm**

Product Description

Big Manufacturer of excavator shorten boom and arm Use Q355B Q690D

Introduction of Kaiping Zhonghe Machinery's tunnel arm for excavator :

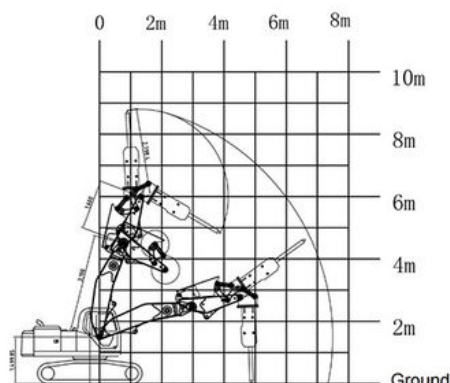

Introducing Kaiping Zhonghe Machinery's excavator shorten boom and arm, designed to enhance your excavator's versatility and operational efficiency. These specialized attachments improve maneuverability in tight spaces, making them ideal for urban construction and excavation projects. Constructed from high-quality materials, our shorten boom and arm ensure exceptional durability and performance, ready to tackle challenging work environments. With a commitment to precision and reliability, Kaiping Zhonghe Machinery provides solutions that cater to the needs of professionals in the construction and mining industries. Upgrade your excavator today and experience the enhancement!

Specification of one set of tunnel arm for excavator:

Welcome to send your excavator model to us. The model drawing of tunnel boom for excavator will be sent soon.

Excavator Model(ton)	Thickness of steel board(mm)
6-8T	10mm
10T-15T	14mm
20-24T	16mm
30-36T	25mm
45-50T	30mm

Welcome to send your excavator model to us for double check. Whatsapp [+86 13822325403](https://wa.me/8613822325403)

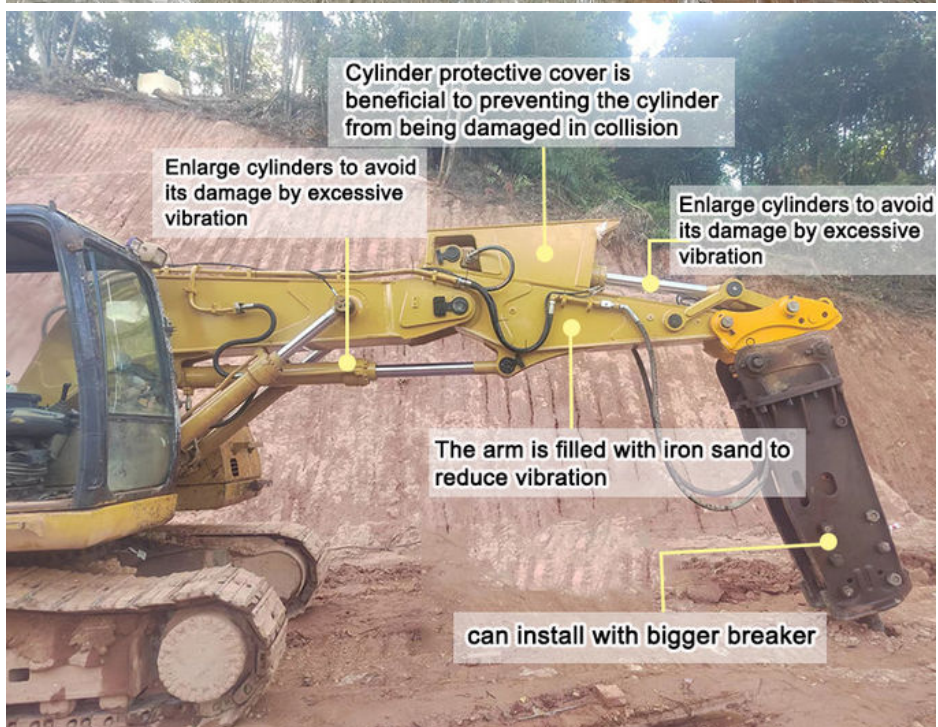

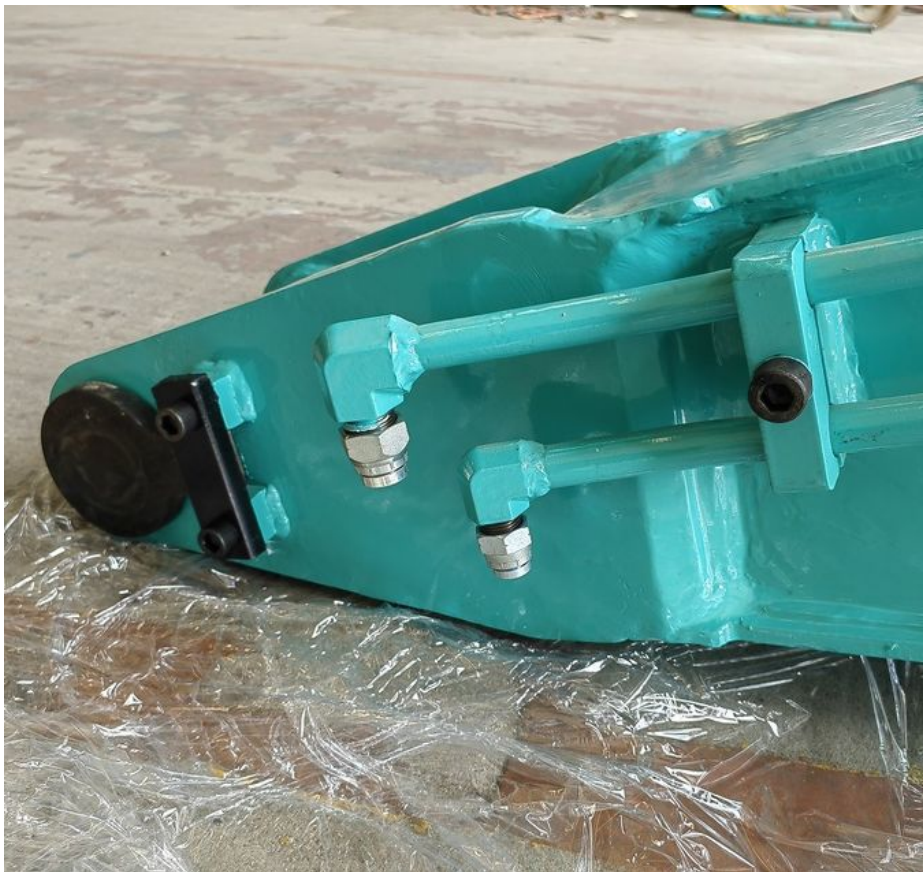

Details of one set of tunnel arm for excavator:

*high effective *heavy duty *longer service life-span *big machine *better welding performance
*better design *stable *strong

Production details of one set of tunnel arm for excavator:

Panel is cut by CNC
plasma machine with
less deformation

Large floor-standing
double-sided boring
machine
Higher accuracy

Beveling Machine
Every board will be
beveled before being
welded which enhances
the weld bead

Kaiping Zhonghe Machinery's tunnel arm for excavator:

*ever 8 years in designing and producing tunnel arm for excavator*professional *experienced
