Welcome to send your excavator model to our sales manager, suitable length and model drawing of telescopic arm will be sent soon.

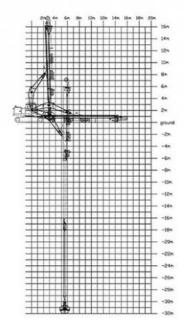

16m Excavator Long Reach Telescopic Boom model drawing and 32m Excavator Long Reach Telescopic Boom

model drawing are as follow:

16m Telescopic Arm

16M- Telescopic Boom	
A. Maximum vertical digging depth	16000mm
B. Maximum vertical depth digging radius	7095mm
C. Maximum vertical excavation working radius	8801mm
D. Maximum vertical digging depth	13340mm
E. Maximum vertical excavation working radius	13586mm
F. Maximum unloading height	8044mm
G. Minimum turning radius	6150mm
H. The minimum turning radius is the height of the whole machine	8087mm

Details of our Excavator Long Reach Telescopic Boom:

1.2 Details of Three-section telescopic arm 三段式伸缩臂细节

The external hose pulley separates the hose from the wire rope, avoids the friction between the wire rope and the hose, reduces failures, and makes maintenance more convenient

Centralized lubrication system --easy for later maintenance

Stop valve - easy to replace attachments lessen oil leakage

32m Telescopic Arm

Double oil seal design prevents hydraulic oil from leaking, prolongs the service life of the cylinder

Clamshell bucket adopts double cylinders---less failure rate easy maintenance, not easy leak oil

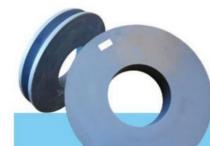

Materials of one set Excavator Long Reach Telescopic Boom:

High-speed Heavy-load Bearings

The bearings are high-speed heavy-load bearings, and the bearings use larger diameters to withstand greater loads.

MC Steel

The pulley is made of MC steel, which has the same hardness as steel, but is light and wear-resistant. The wheel diameter is enlarged to withstand greater loads.

Feedback of Excavator Long Reach Telescopic Boom from Clients: *Nearly 0 fail rate *High efficiency *Safe * Stable

Cleaning and dredging

Deep pit work

For Deep foundation pit construction project

Feedback from Clients

from Jimmy: cool, the telescopic boom works effectively. suitable for grabbing.

from Michael: suitable for digging caisson. save energy.

from Tonny: Very excellent telescopic boom. on my excavator suitably. perfect

from Tom: The boom works very good. safe and balanced operation very nice service.

Certifications of one set of Excavator Long Reach Telescopic Boom: *Professional *Experienced
