

Excavator Telescopic Arm China Hitachi for Construction Work

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: SSB005
- Minimum Order Quantity: 1 set / piece
- Price: USD 300-USD22900
- Packaging Details: bubble / wooden cases
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

Product Specification

- Material: BS900E, Lighter And Stronger
- Quality: Premium, High Quality
- Digging Depth(m): 20m 25m 30m 32m
- Key Word: Telescopic Excavator Arm
- Bucket: 2cbm 2.5cbm Clamshell Bucket / Standard Bucket
- Suitable Excavators(ton): 25ton-55ton

Product Description

Telescopic Dipper for Excavator with Clamshell Bucket / Standard Bucket for Hitachi Komatsu Sany Volvo

Brief introduction of one set of telescopic dipper for excavator:

The telescopic excavator is an advanced piece of machinery designed to enhance efficiency and versatility on construction sites. Its unique telescopic arm allows for extended reach and increased digging depth, making it ideal for a variety of applications, from excavation to material handling. This design of telescopic arm enables operators to access hard-to-reach areas while maintaining stability and control, which is crucial for safe and effective operation.

Equipped with various attachments, such as buckets and grapples, the telescopic excavator with clamshell bucket can easily adapt to different tasks and materials. The excavator dipper's ability to switch between attachments quickly enhances productivity and reduces downtime. Additionally, modern telescopic excavators arm often feature advanced hydraulic systems that provide smooth and precise movements, further improving performance. With their combination of flexibility and power, telescopic excavators are becoming increasingly popular in the construction industry.

Material of clamshell telescopic arm excavator: BS900E, or others as you request, lighter and stronger material can lessen the load of the excavator, work more efficient, and with longer life-span.

Connectors we use: Enhanced Thickened Connectors, not easy oil leakage, no easy breaking

Pipeline of clamshell telescopic arm excavator: Seamless Pipeline

Cylinders of clamshell telescopic arm excavator: High quality cylinders

Specification of one set of clamshell telescopic arm excavator:

Digging Depth(m)	Excavator Model(ton)	Clamshell Bucket Capacity(cbm)
20-22m	30-33T	1.5cbm
	35-38T	
25m	30-33T	1.5cbm
	35-38T	
	35-38T	2.2cbm
	40-50T	
26-30m	36-50T	1.5cbm
		1.5cbm
		2cbm
		2cbm
		2.2cbm
		2.2cbm
31-32m	40-50T	2.2cbm
		2.5cbm

Welcome to send your excavator model to us. Suitable Length and model drawing will be sent soon.

16m Telescopic Arm

16M- Telescopic Boom	
A. Maximum vertical digging depth	16000mm
B. Maximum vertical depth digging radius	7095mm
C. Maximum vertical excavation working radius	8801mm
D. Maximum vertical digging depth	13340mm
E. Maximum vertical excavation working radius	13586mm
F. Maximum unloading height	8044mm
G. Minimum turning radius	6150mm
H. The minimum turning radius is the height of the whole machine	8087mm

32m Telescopic Arm

Pictures of one set of clamshell telescopic arm excavator:

Suitable excavators for clamshell telescopic arm excavator: Sany, Hitachi, Komatsu, Zoomlion, Kobelco, Kato, Sumitomo, etc.

Cleaning and dredging

Telescopic arm test

Bridge construction projects

Deep pit work

For Deep foundation pit construction project

For unloading materials

For Large-scale earthworks

Production details of one set of clamshell telescopic arm excavator:

- ② Professional
- ③ Honest
- ④ Consumer-centric
- ⑤ Premium Products

Feedback of clamshell telescopic arm excavator from clients:

Feedback from Clients

from Jimmy:
cool, the telescopic boom
works effectively. suitable for
grabbing.

from Michael:
suitable for digging caisson.
save energy.

from Tonny:
Very excellent telescopic boom.
on my excavator suitably. perfect

from Tom:
The boom works very good.
safe and balanced operation
very nice service.

Contact Details of Kaiping Zhonghe Machinery Manufacturing Co. LTD:
Kaiping Zhonghe Machinery is a big Manufacturer of Excavator Arm and Boom
Welcome to contact for a big discount!
