

30M 32M Excavator Long Reach Boom And Telescopic Arm

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: China, Guangdong Province
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: SSB012
- Minimum Order Quantity: 1 set / piece
- Price: USD 129.00-USD14999.00
- Packaging Details: bubble / wooden cases/ others as you request
- Delivery Time: 5-20/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

Product Specification

- Efficiency: High Efficiency, High Effective
- Bucket: 2cbm Clamshell Bucket
- Maintenance: Easy Maintenance, Add Lubricant
- Digging Depth(m): 18m 20m 25m 30m 32m
- Cylinder: High Quality Cylinders, Famous Brand Cylinders
- Material: BS900E, Lighter And Stronger

Product Description

30M 32M Excavator Long Reach Boom And Telescopic Arm

Introduction of excavator long reach boom and telescopic arm:

The telescopic arm for excavators is a versatile tool that revolutionizes construction work by enhancing operational capabilities. Its extendable design allows for greater reach and flexibility, enabling operators to handle a wide range of tasks, from deep excavation to precision lifting. This adaptability makes it ideal for various applications, including site preparation, landscaping, and utility installation. With the ability to access hard-to-reach areas and work at different heights, the telescopic arm significantly improves efficiency and productivity on the job site. Constructed from durable materials and equipped with advanced hydraulic systems, it ensures reliable performance and precise control, making it an indispensable asset for modern construction projects.

Suitable excavators for excavator long reach boom and telescopic arm : Sany, hitachi, komatsu, zoomlion, kobelco, etc

Specification detail of one set of excavator long reach boom and telescopic arm:

Digging Depth(m)	Excavator Model(ton)	Clamshell Bucket(cbm)
12	20-25T	0.6
14		0.4
16		0.4
18		0.4
20	26-28	0.6
20-22m	30-33T	1.5cbm
	35-38T	
	30-33T	
	35-38T	
25m	35-38T	2.2cbm
	40-50T	
26-30m	36-50T	1.5cbm
		1.5cbm
		2cbm
		2cbm
		2.2cbm
		2.2cbm
	40-50T	2.2cbm

31-32m	40-50T	2.2cbm
		2.5cbm

Welcome to send your excavator model to us for double check. Suitable length and model drawing will be sent soon.

Production of one set of excavator long reach boom and telescopic arm:

Production Details of Three-section telescopic arm

Premium Material---**BS900E** lighter and stronger

The materials: steel, cylinders, etc are all stored well and keep away from moisture and corrosion

Cleaning and dredging

Telescopic arm test

Bridge construction projects

Deep pit work

For Deep foundation pit construction project

For unloading materials

For Large-scale earthworks

Premium Wire Rope

Xianyang Baoshi Rotary wire rope--can bear larger tension and impact

Multi-strand Wire Rope

The inner core of the wire rope is a steel core, which has higher tensile strength.

High-speed Heavy-load Bearings

The bearings are high-speed heavy-load bearings, and the bearings use larger diameters to withstand greater loads.

MC Steel

The pulley is made of MC steel, which has the same hardness as steel, but is light and wear-resistant. The wheel diameter is enlarged to withstand greater loads.

Double-sided boring lathe

After the excavator boom and arm are assembled, the pins on the boom are drilled to ensure that the pins on the boom are parallel to each other and the cross section of the pin hole is perpendicular to the pin. The double-sided boring machine of the boom makes the hole position more accurate and the quality higher.

Make sure the cross section of the pin hole is perpendicular to the shaft.

Make sure the axis is parallel to the axis

Make sure the cross section of the pin hole is perpendicular to the shaft

Make sure the axis is parallel to the axis

Premium Welding Wire
Jinqiao Welding Wire

Certifications of excavator long reach boom and telescopic arm:

4. Certifications

Kaiping Zhonghe Machinery's introduction:

*** Experienced *Strict * Customer Center *Professional**

Introduction of Kaiping Zhonghe Machinery

18000M² Steel Structure Workshop with Super Precision Machines

30 senior Designers

- ① Full Experienced
- ② Professional
- ③ Honest
- ④ Consumer-centric
- ⑤ Premium Products

Top Picks of Kaiping Zhonghe Machinery's Excavator arms and booms:

Long Arm Long Boom

Sliding Arm

Pile Arm Pile Boom

Tunnel Arm / Shorten Arm

Contact Details of our sales--Sales Manager: Aria:
Kaiping Zhonghe Machinery is a big Manufacturer of Excavator Arms and Booms
