

Sales No.1 10M Excavator Long Reach Boom And Telescopic Arm

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: Telescopic Arm for Excavator 002
- Minimum Order Quantity: 1 set / piece
- Price: USD 179.00-USD7999.00
- Packaging Details: bubble / wooden cases
- Delivery Time: 5-20/works
- Payment Terms: T/T, L/C or others as you request
- Supply Ability: 6 sets per week

Product Specification

- Features: Telescopic Arm For Excavator
- Service Life-span: Longer Service Life-span
- Suitable Excavator: 6 Ton To 50ton Excavator
- Material: HG785, Lighter Stronger
- Bucket: Available 0.2cbm To 1.2cbm
- Efficiency: High Efficiency Working Smoothly

Product Description

Heavy Duty Telescopic Arm Excavator with Bucket for Digging at Narrow Places

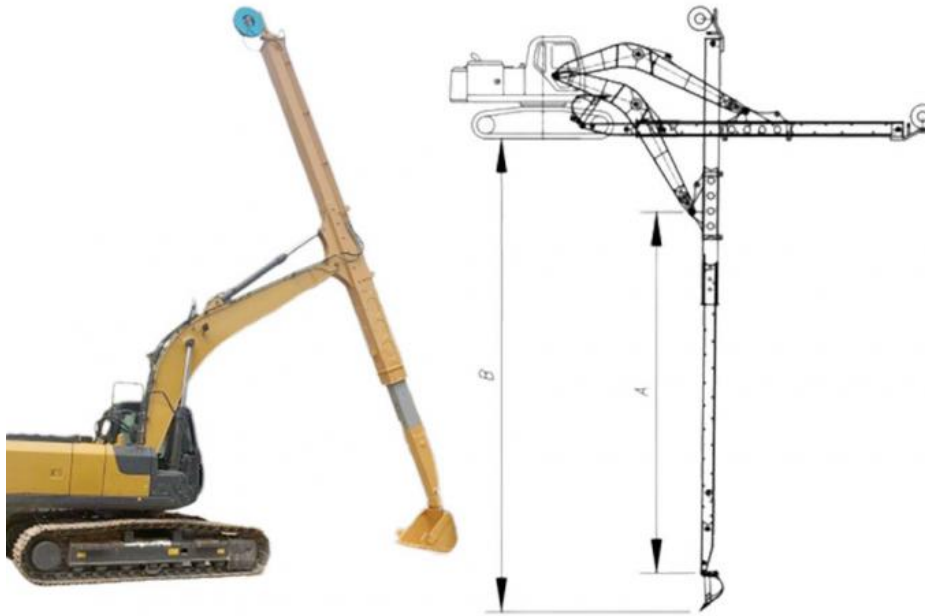

Introduction of Hydraulic Telescoping Excavator:

Digging depth of one set of excavator telescopic arm (m): 6M 10M 12M 14M 16M 18M

Bucket capacity(cbm): 0.2cbm to 1.2cbm

Working environment of one set of long reach boom excavator telescopic arm: digging sand soil silt dirt, digging house foundation pit, digging at narrow places.

Material of one set of excavator telescopic arm: HG785(lighter and stronger)

More specification of one set of excavator section telescopic arm:

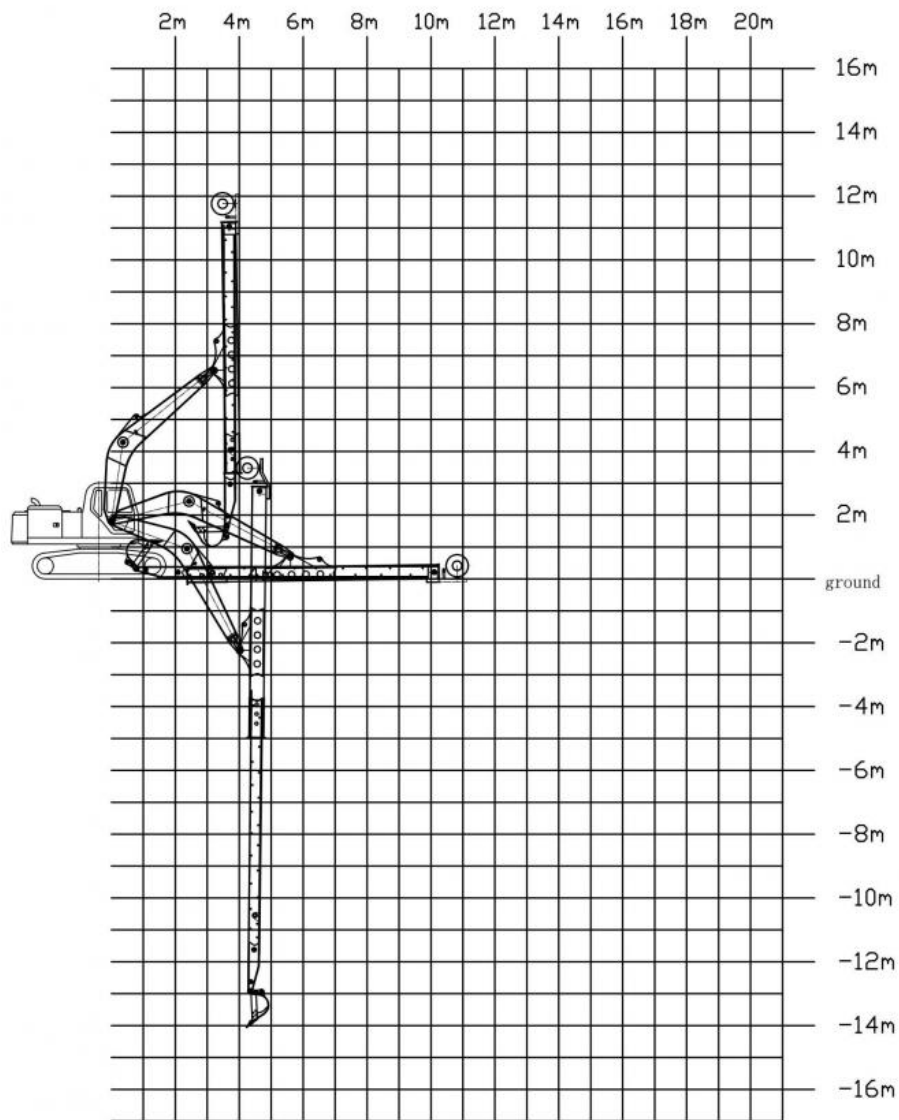

Excavator model(ton)	Bucket capacity(cb m)	Bucket cylinder(T)	Digging Depth(m)
20-27T	0.4-0.6	20T	14
20-27T	0.8	30T	14
30-36T	1	35T	14
30-36T	0.8	30T	14
30-36T	1	35T	15

Welcome to send your excavator model to us, suitable length and model drawing will be sent soon.

Model drawing of one set of excavator telescopic arm:

* 14m excavator long reach telescopic boom for 20ton excavator is as follow:

PC 200--14m two-section telescopic arm

The model drawing will be sent as soon as possible.
Features of our telescopic boom for excavator:

* Premium long cylinder for excavator long reach telescopic boom :

The long cylinder of telescopic boom long reach boom long arm is premium and is with double cylinder seal which is not easy oil leakage and with longer service life-span.

* Enhanced design at the places which bear huge stress. The steel tube's working life-span is double longer than other brands.
Longer service life-span and not easy cracking

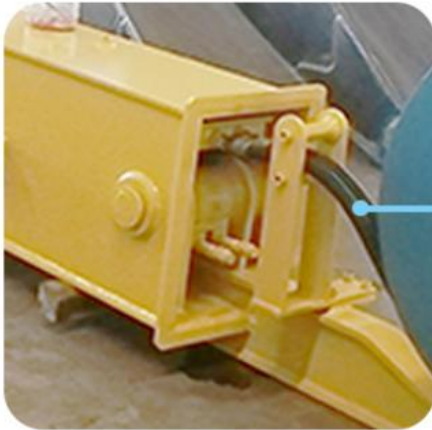

Enlarged spring piece

High Effective

Not prone to failure

**Four-layer steel wire
high pressure hose**

More durable

The front part is curved

**Enlarge the digging
force**

**Digging effective
is increased.**

* Telescopic arm telescopic boom arm is with improved front part which has larger digging force:

The front part of excavator long reach stick boom and arm's shape is curved which has bigger digging force. The working efficiency of telescopic arm telescopic boom arm is improved and enhanced.

The whole plate is inserted

Durable
Longer life-span

Add two blocks
on cylinder head

Reduce vibration

Double oil seal
design

Avoid oil leakage

Why chose Kaiping Zhonghe Machinery's telescopic excavator boom:

The reel adopts enlarged
spring piece

Others

common type

* Better Hose Reel
Longer service life-span, work smoothly and with lower fail rate

**Multi-layer reinforcement
of stress-bearing parts**

without reinforment

Feedback of Kaiping Zhonghe Machinery's telescopic boom for excavator which works high efficiency and with lower fail rate:

Feedback from Clients

from Jonson:
the telescopic boom is suitable for
digging caisson. excellent
performance.

from Ryon:
deeper digging depth. work
effectively. nice service

WIA: +86 13822325403

from Ton:
Very excellent telescopic boom.
on my excavator suitably. very
good job

from Cris:
safe and balanced. premium
excavator boom. perfect
