

Excavator Telescopic Boom Telescopic Arm Q355B Q690D

Our Product Introduction

for more products please visit us on excavatorlongarm.com

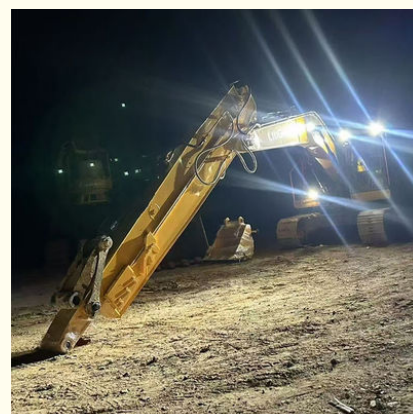

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, patent, ISO
- Model Number: Telescopic arm for sale 08
- Minimum Order Quantity: 1 set / piece
- Price: USD 30-7000 EXW price
- Packaging Details: bubble / wooden cases/ others
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 7 sets per week

Product Specification

- Painting: Premium Painting
- Color: Yellow, Red, White, Blue, Customized
- Digging Depth(m): 6m, 12m, 16m, 18m
- Material: Q355B
- Patents: CE, ISO9001
- Key Word: Telescopic Arm For Sale
- Warranty: 6 Months For The Arm
- Cylinders: High Quality Cylinders
- Highlight: **Q690D Telescopic Boom,
Q355B Telescopic Boom,
Excavator Telescopic Boom Arm**

Product Description

Telescopic Boom for Excavator with Bucket for Digging House Foundation Deep Pits

Note: There are more than 400+ clients who chose our excavator sliding arm. More than 900 sets sliding arm are sold.

Introduction of one set of Telescopic Arm telescopic Boom Arm:

Telescopic Arm telescopic Boom Arm is our hot-sale. The design of the excavator telescopic arm is a sophisticated blend of engineering innovation and practical functionality, aimed at maximizing efficiency in various excavation applications. Its multi-section configuration allows for an impressive range of motion and flexibility, enabling operators to reach challenging areas with ease. Each component is meticulously engineered to ensure optimal strength-to-weight ratios, facilitating both lightweight maneuverability and robust performance under heavy loads. Additionally, the integration of advanced hydraulic systems enhances the arm's responsiveness and precision, allowing for smoother operation during complex tasks. This sophisticated design not only improves productivity but also ensures durability and reliability, making the telescopic arm an indispensable tool in modern excavation projects.

More Details Our Telescopic Boom Long Reach Boom Long Arm:

Installations of Our Telescopic Boom Long Reach Boom Long Arm:
*** Only Required There are Breaker Pipeline on the Excavators *Easy Installation *Guidance Available**

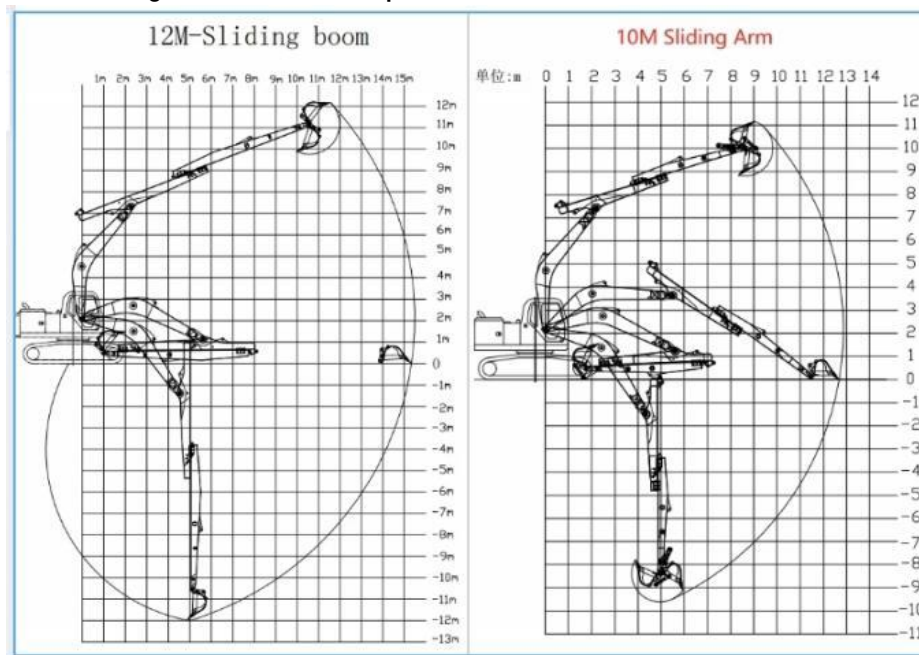

Specifications of Our Telescopic Boom Long Reach Boom Long Arm:

* High working efficiency *Special Design *Longer Service Life-span

Excavator (Ton)	Effective Length (mm)	Max Depth (mm)	Max Radius (mm)	Bucket Capacity (cbm)
12-15T	5700	8000	10400	0.2-0.3
20-25T	9150	10000	13000	0.4-0.7
20-25T	11000	12000	15200	0.4-0.7
30-35T	11000	12000	15800	0.6-0.9
40-45T	12100	16000	19200	0.8-1.3

Model Drawing of Excavator Telescopic Arm Available:

Production Details of Our Telescopic Boom Long Reach Boom Long Arm:

* More than 8 years experience *High precision machines *Standard production line *Strict test and supervision

Main equipments of production line

Bending machine

CNC Plasma and flame integrated feeder

Floor-type boring and milling machine

Milling machine

Air compressor

Sandblasting machine

Sawing machine

Lathe

Drilling machine

Beveling machine

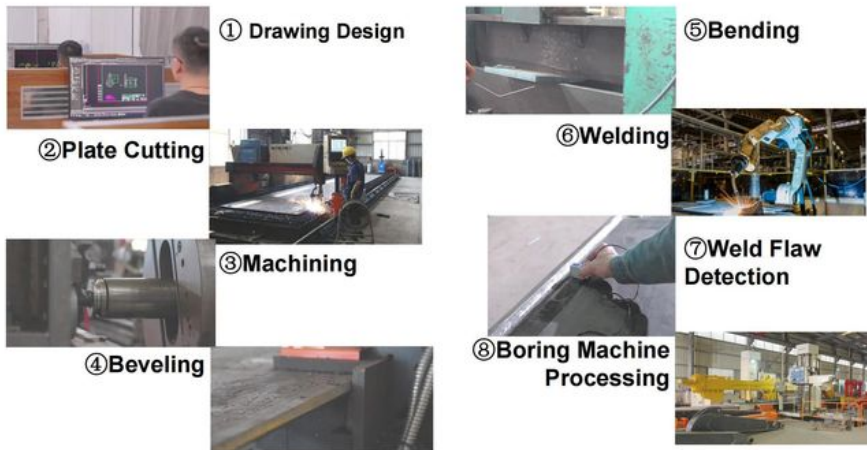

Rolling machine

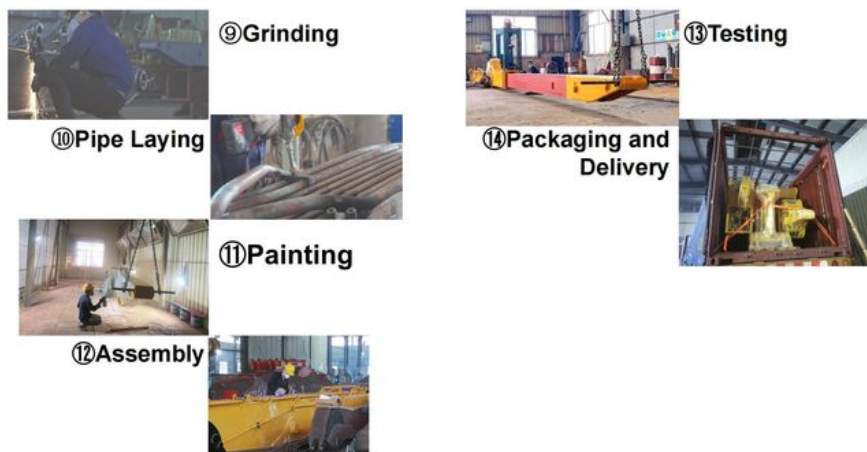

Floor-type double-sided boring machine

Product Manufacturing Process

Product Manufacturing Process

Certifications of Our Telescopic Boom Long Reach Boom Long Arm:

* Progress *Quality control *Comprehensive after-sales service

4. Certifications

Feedback from Clients Who Chose Our Telescopic Boom Long Reach Boom Long Arm:

* Serve better in clients' construction work * Longer service life-span than other supplier's sliding arm

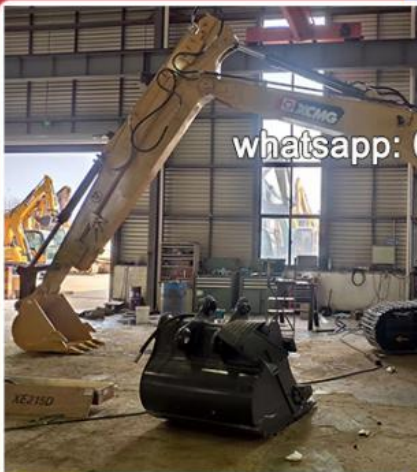

Feedback from Clients

from Tonny:
Very excellent telescopic boom.
on my pc 200 excavator suitably.

from Jason:
cool, the telescopic boom
works effectively. suitable for
digging.

from David:
very nice service.
The boom works very good.
safe and balanced operation

from Kevin:
suitable for digging caisson.
save energy.
