

## Excavator Telescopic Boom Telescopic Arm Digging Deep Pit

Our Product Introduction

for more products please visit us on excavatorlongarm.com

### Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, Patent, ISO
- Model Number: Excavator Telescopic Arm 09
- Minimum Order Quantity: 1 set / piece
- Price: USD 199.00-USD9999.00
- Packaging Details: bubble / wooden cases
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

### Product Specification

- Features: High Reliability, User-Friendly Design
- Digging Depth(m): 10m 12m 16m
- Color: Red, Yellow, Blue White Customized
- Package: Wooden Cases / Bubble
- Material: Q355B Q690D
- Cylinder: Premium
- Accessories: Premium
- Key Word: Excavator Telescopic Arm
- Warranty: 6 Months
- Test: Full Tests, Quality Guaranteed

## Product Description

### Top 1 Excavator Telescopic Boom Telescopic Arm for Sale for Digging

**Introduction of one set of Zhonghe Machinery Telescopic Arm telescopic Boom Arm**

**Durability:** Our excavator telescopic dipper arm is engineered with design excellence, ensuring it outlasts competitors and provides a longer service life.

**Precision:** Utilizing state-of-the-art production machinery, we guarantee that excavator long reach telescopic boom fits seamlessly with excavators, ensuring optimal performance.

**Lightweight:** Thanks to our choice of materials and innovative design, excavator long reach telescopic boom is both stable and secure when installed on excavators.

**Feedback of Telescopic Boom Long Reach Boom Long Arm from clients:**

**Quality Construction:** Clients commend the robust build quality and materials, noting that the arm withstands heavy use without compromising performance.

**Enhanced Safety Features:** Positive remarks about the safety mechanisms reassure users and contribute to a safer working environment.

**Excellent Customer Support:** Many clients express satisfaction with the support provided, emphasizing quick response times and effective solutions to any inquiries.

**Value for Investment:** Users often mention that the performance and durability of the telescopic arm justify the investment, leading to increased productivity and reduced downtime.

**Material details of one set of excavator telescopic boom:**

**Steel Material:** We use Q355B steel sourced from Shaogang Steel Company, a leading brand in China, ensuring top-quality materials for our products.

**Connectors:** Our connectors are specially reinforced to withstand significant stress, providing exceptional durability and minimizing the risk of cracking.

**Cylinders:** Each cylinder undergoes rigorous testing before delivery, and we utilize a double oil seal design to enhance longevity and performance, ensuring a longer service life.

Our steel plates are purchase from BaoGang Company which is a big and famous steel material company.

Our steel plates are purchase from BaoGang Company which is a big and famous steel material company.
