

14M Telescopic Excavator Telescopic Arm for Excavator for ZX225

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery
- Certification: Patents, ISO, Standard
- Model Number: Telescopic Arm for Excavator 03
- Minimum Order Quantity: 1 set / piece
- Price: USD 199.00-USD8999.00
- Packaging Details: bubble / wooden cases
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

Product Specification

- OEM / ODM: YES
- High Efficiency: YES
- Color: Accoring To Clients' Requirement
- Customized: YES
- MOQ: 1 Piece / Set
- Digging Depth(m): 12m 14m 16m 18m 20m
- Suitable Excavator(ton): 6 Ton - 66 Ton
- Brand: Zhonghe Machinery

Product Description

14m Telescopic Arm for Excavator for ZX225

1. Sales amount annually: **200 sets**, more than **100 clients**

2. Introduction of one set of telescopic arm excavator:

The 14m Telescopic Arm for Excavator is a cutting-edge attachment designed to enhance the capabilities of your excavator, enabling deeper and more efficient excavation tasks. Engineered for versatility and performance, this telescopic arm for sale significantly expands your machine's reach, making it ideal for a wide range of applications, from large-scale construction projects to intricate landscaping jobs: digging caisson, deep pits, house foundation pit, etc.

Compatibility of one set of 14m telescopic arm for excavator

This telescopic arm for excavator is specifically designed for seamless integration with the ZX225 excavator (or other 20 ton excavators), ensuring optimal performance and reliability. Its advanced features and robust construction make it a valuable addition to your excavators, empowering you to tackle even the most challenging excavation projects with ease.

3. Key Features of one set of telescopic excavator:

Extended Reach:

The digging depth of one set of 14m telescopic arm for excavator can reach **14m**

Deep Digging Capability:

excavator telescopic arm allows for deeper digging and complex project handling. The excavator attachments can be a bucket / grapple which can be used to carry sand, soil, silt, gravel etc.

Telescopic Cylinder:

The smooth extension and retraction functionality of telescopic cylinder enable the telescopic arm can reach deeper.

Durable Construction:

The material made of telescopic arm is LG700 which is high strength and not easy cracking.

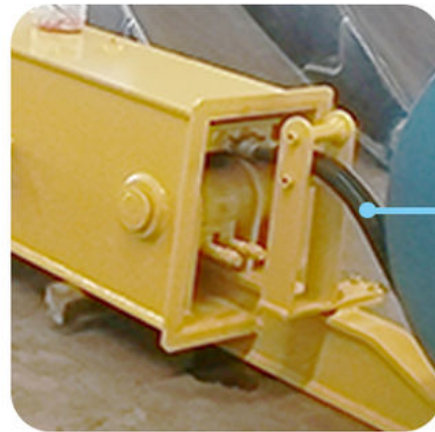

Enlarged spring piece

High Effective

Not prone to failure

**Four-layer steel wire
high pressure hose**

More durable

The front part is curved

**Enlarge the digging
force**

**Digging effective
is increased.**

The whole plate is inserted

Durable
Longer life-span

Add two blocks
on cylinder head

Reduce vibration

Double oil seal
design

Avoid oil leakage

4. Performance Benefits of one set of Excavator Telescopic Boom Telescopic Arm:

Improved efficiency and productivity on job sites.

Enhanced maneuverability in tight spaces.

Reduced need for additional machinery.

5. Client Testimonials

Positive feedback from clients who have used the telescopic arm for excavators.
Specific examples of how it has improved their projects.

Feedback from Clients

from Jonson:
the telescopic boom is suitable for digging caisson. excellent performance.

from Ryon:
deeper digging depth. work effectively. nice service

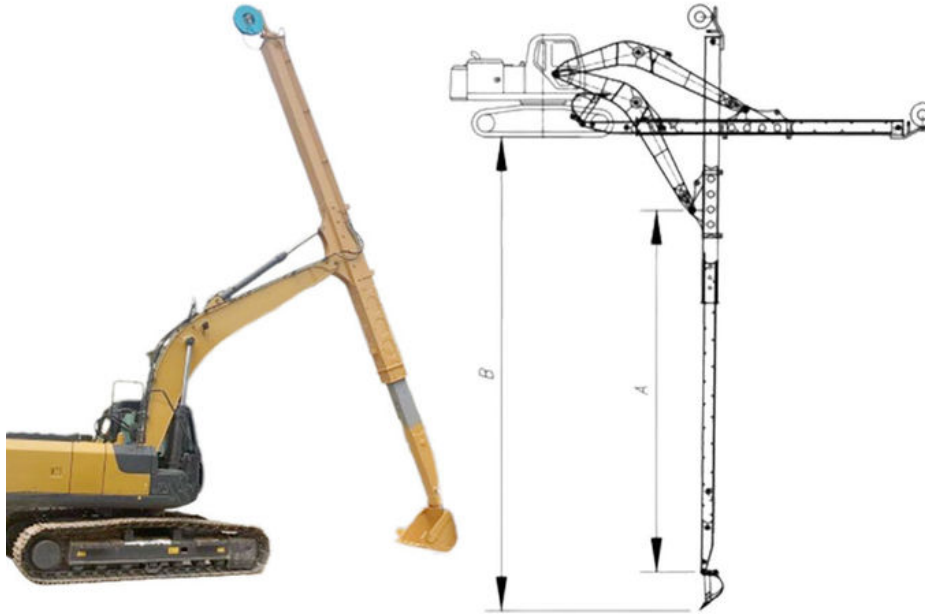

from Ton:
Very excellent telescopic boom. on my excavator suitably. very good job

from Cris:
safe and balanced. premium excavator boom. perfect

6. Applications of one set of excavator teledipper:

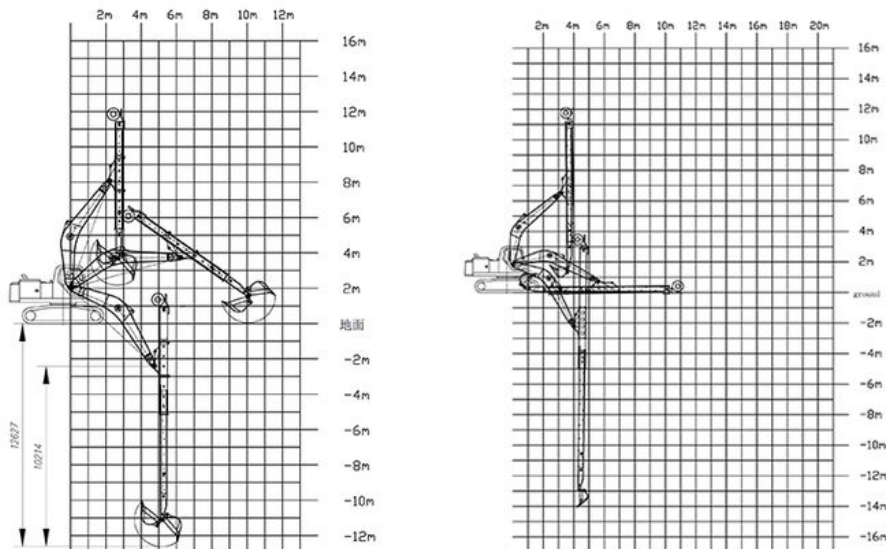

Various industries and types of projects suitable for the telescopic arm (e.g., construction, landscaping).

7. Specifications of one set of excavator teledipper:

Excavator Model (ton)	Bucket Capacity (cbm)	Bucket Cylinder	Digging Depth (m)
6T	0.2	6T	6
10-12T	0.2	6T	10
20-27T	0.4	20T	12
30-36T	1	30T	12
20-27T	0.4-0.6	20T	14
24-27T	0.8	30T	14
30-36T	1	35T	14
30-36T	0.8	30T	14
30-36T	1	35T	15
24-28T	0.8	30T	15
24-28T	0.4	20T	16
30-36T	0.8	22T	16
45-50T	1.2	35T	16

Suitable for various excavator brands: Hitachi, Komatsu, Sany, Zoomlion, Cat, etc

8. Warranty and Support from Zhonghe Machinery's team:

6 months for telescopic arm and cylinder, 3 months for bucket

9. Call to Action

Big discount is awaiting.
