

## Lightweight Tunnel Boom 6 Months Warranty Excavator Tunnel Arm

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, Patent, ISO
- Model Number: Excavator Tunnel Arm
- Minimum Order Quantity: 1 set / piece
- Price: USD 1000.00-USD9000.00
- Packaging Details: bubble / wooden cases / others as you request
- Delivery Time: 5-20/working days
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

### Product Specification

- Features: Heavy Duty Longer Service Life-span
- Connectors: High Quality Connectors
- Suitable Excavators: 6ton - 60ton
- Material: Q355B Q690D Or Others As You Request
- Working Condition: Digging Tunnel, Hard Rock
- Warranty: 6 Months For Arm And Boom, 3 Months For Bucket
- OEM/ODM: YES
- Tests: YES

## Product Description

### Leading Manufacturer of Excavator Shorten Boom and Arm: Q355B and Q690D Materials

Introducing Kaiping Zhonghe Machinery's excavator tunnel arm, engineered to elevate your excavator's versatility and operational efficiency. These specialized attachments enhance maneuverability in tight spaces, making them ideal for urban construction and excavation projects.

Constructed from high-quality Q355B and Q690D materials, our excavator tunnel arm deliver exceptional durability and performance, enabling them to handle challenging work environments with ease. With a steadfast commitment to precision and reliability, Kaiping Zhonghe Machinery provides tailored solutions for professionals in the construction and mining industries. Upgrade your excavator today and experience the enhanced capabilities that shorten arm tunnel boom offer!

**Specification of one set of tunnel arm for excavator:**

**Welcome to send your excavator model to us. The model drawing of excavator tunnel arm will be sent soon.**

Excavator Model(ton)	Thickness of steel board(mm)

6-8T	10mm
10T-15T	14mm
20-24T	16mm
30-36T	25mm
45-50T	30mm

#### ZHONGHE Advantages

1. Fashionable style
2. Professional Team
3. Quality control
4. Moderate price
5. CE certification
6. Promptly answer
7. Patented technology
8. Enrich production experience

**More Shorten Arm Tunnel Boom Show Up:**

**\* Heavy duty \*Longer service life-span \*High efficiency**

**Details of one set of excavator tunnel arm:**

\*high effective \*heavy duty \*longer service life-span \*big machine \*better welding performance  
 \*better design \*stable \*strong

On the same machine, excavator tunnel arm can obtain greater lifting capacity than the standard arm, the opening angle between boom and arm can reach 180 degrees, that a larger breaker can be used to improve work efficiency.

1. The upper and lower cover plates are thicker.
2. The shorten arm tunnel boom is filled with iron sand to reduce vibration
3. Enlarge cylinders to avoid its damage by excessive vibration
4. Stop valves prevent oil leakage when replacing breaker by bucket.
5. Multi-layer welding of pipe connectors to reduce the risk of oil leakage
6. Cylinder protective cover is beneficial to preventing the cylinder from being damaged in collision
7. Q355B material, using high-quality accessories, full weld, double plate reinforcement in the stress position, etc.

Three-layer four-pass welding process, stronger welding

Multi-layer welding of pipe connectors to reduce the risk of oil leakage

The upper and lower cover plates are thicker.  
longer life-span & not easy cracking

1.2 inch thick  
seamless pipe

Precision pipeline, not prone to bursting and oil  
leakage

16mm

The upper plate and lower plate are thicker  
& Multiple welding  
Not easy cracking

Production details of one set of tunnel arm for excavator:

Beveling Machine  
Every board will be  
beveled before being  
welded which enhances  
the weld bead

Panel is cut by CNC  
plasma machine with  
less deformation

Large floor-standing  
double-sided boring  
machine  
Higher accuracy

Kaiping Zhonghe Machinery's tunnel arm for excavator:  
\*ever 8 years in designing and producing tunnel arm for excavator\*professional \*experienced

Feedback from clients of tunnel arm for excavator:

Contact us---sales manager about tunnel arm for excavator:

Kaiping Zhonghe Machinery is a big Manufacturer of Excavator Arms and Booms

Key word: demolition arm, excavator telescopic arm, excavator long reach arm, tunnel arm, pile arm etc.
