

Excavator Tunnel Arm Shorten Arm Tunnel Boom 30 Ton Tunnel Boom Arm

Our Product Introduction

for more products please visit us on excavatorlongarm.com

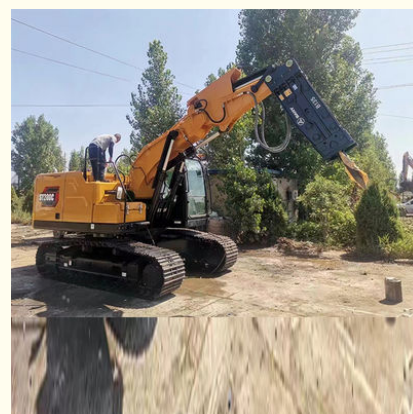

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: CE, Patents, ISO9001
- Model Number: SDB008
- Minimum Order Quantity: 1 set / piece
- Price: USD 199.00-USD8999.00
- Packaging Details: bubble / wooden cases/ others B
- Delivery Time: 10-15/works
- Payment Terms: T/T, L/C
- Supply Ability: 15 sets per week

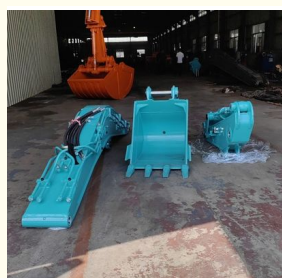

Product Specification

- Suitable Excavators: 6ton - 65ton
- Suitable Excavator Brands: Hitachi Komatsu Sany Kobelco Sany Cat Etc
- Welding: Premium Welding
- Type: Heavy Duty
- Apply To: Digging Tunnels Foundations
- Material: Q355B / Q690D
- High Efficiency: Yes
- Color: Customized, Red, Blue, Yellow Etc
- Highlight: 30 ton excavator tunnel arm, shorten tunnel boom arm, excavator tunnel boom with warranty

Product Description

Heavy-Duty Shorten Arm Tunnel Boom for Excavator – Ideal for Tunneling & Foundation Work

Boost your excavation efficiency with our heavy-duty shorten arm tunnel boom, designed specifically for tunnel digging, foundation excavation, and confined space operations. This excavator tunnel arm is engineered for superior strength, precision, and durability, making it the perfect attachment for demanding underground and construction projects.

Key Features of One Set of Excavator Tunnel Arm:

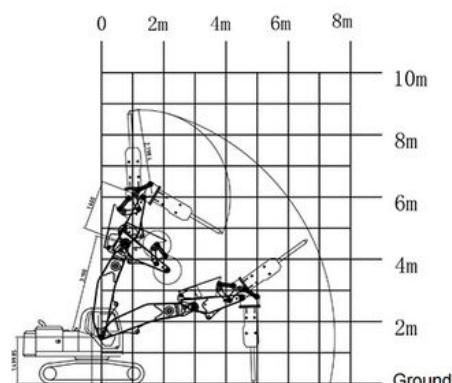

- ✓ Shorten Arm Design – Optimized for tunnel excavation, providing better maneuverability in tight spaces.
- ✓ Heavy-Duty Construction – Reinforced steel build ensures long-lasting performance in tough conditions.
- ✓ Precision Digging – Ideal for foundation work, trenching, and underground construction.
- ✓ Compatible with Major Excavator Brands – Fits CAT, Komatsu, Hitachi, Volvo, and more.
- ✓ Enhanced Stability & Control – Reduces vibration for smoother operation in tunnel boring and deep excavation.

Specifications of One Set of Shorten Arm Tunnel Boom

Name	Excavator Model(ton)	Thickness of Board(mm)	Weight(kgs)
Big Boom	6-8T	10mm	590
Small Arm			380
Big Boom	10T-15T	14mm	1130
Small Arm			900
Big Boom	20-24T	16mm	1300
Small Arm			1050
Big Boom	20-24T(双)	16mm	1850
Small Arm			1200
Big Boom	30-36T	25mm	2500
Small Arm			2600
Big Boom	45-50T	30mm	3200
Small Arm			3000

Welcome to send your excavator model to us!

Why Choose Our Excavator Tunnel Arm?

Our shorten arm boom is trusted by contractors worldwide for tunnel construction, mining, and civil engineering projects. Whether you're working on urban tunneling, pipeline installation, or deep foundation digging, this attachment delivers unmatched performance.

Searching for a reliable excavator tunnel boom? Look no further! Contact us today for the best heavy-duty excavator attachments in the market.

Keywords: excavator tunnel arm, shorten arm boom, heavy-duty excavator attachment, tunnel digging boom, foundation excavation arm, underground construction equipment, excavator boom for tunneling, precision digging arm, reinforced excavator boom, tunnel boring attachment, excavator short arm, deep excavation boom, construction excavator arm, mining excavator attachment, civil engineering boom.
