

Zhonghe Factory Price Large Excavator Ripper with One Claw for 1.7T-7T Excavator for Heavy Rock Breaking and Demolition Work

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Zhonghe
- Certification: CE
- Model Number: STQ001
- Minimum Order Quantity: 1 piece
- Price: \$230/pieces
- Packaging Details: Bubble bag packaging
- Delivery Time: 20-30 work day
- Payment Terms: T/T
- Supply Ability: 50 Piece/Pieces per Month

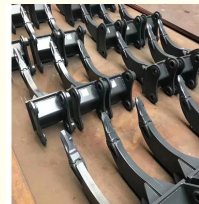

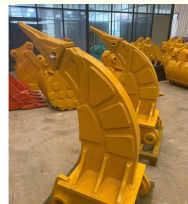

Product Specification

- Brand: Kaiping Zhonghe Machinery
- Type: Ripper
- Application: Excavator Attachment
- Material: Q355B
- Color: Customer Required
- Warranty: 3 Months
- Apply To: Heavy Rock Breaking And Demolition Work
- Condition: 100%new
- OEM: Support
- MOQ: 1 PCS
- Packing: Standard Packing
- After-sales Service Provided: After-sales Service Available
- Highlight: large excavator ripper for heavy rock, one claw excavator ripper for demolition, 1.7T-7T excavator ripper with warranty

Established in 2018, Kaiping Zhonghe Machinery is a combination of manufacturing and trading. Our products, including excavator long reach booms, demolition arms, 2-3 sections telescopic arms, tunnel arms, standard/rock buckets, grapples, and rippers, have been selling well in more than 40 countries and areas.

We are located in Guangdong Province, China. A 18000 m² 50 welding workers with over 7 years experience, 30 senior designers, and a high-tech R&D team (10+ years on customization, 100+ technical patents), strict production system (6+ years quality control and cost control) and warm-hearted service team. Our annual output of various types of excavator boom arms can reach up to 600 sets.

We strive to uphold our core principles of "Merit Quality, Sincerity Management, and Customer Satisfaction".

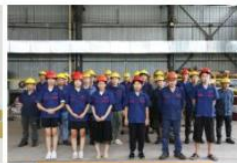

14000m² Workshop

We have more than 14000m² steel structure workshop with lots of high precision processing equipments.

R&D Team

We use precision drawing software to achieve the max working range under the premise of safe operation.

Skillful Workers

There are more than 60 skillful staffs, 30 welding workers with over 5 years welding experience.

Customized

1. Fit all brand.
2. Color, length, material are customized.
3. Extra pipeline can be added.

Prompt Lead Time

1. Our lead time is 7-15 days.
2. Our annual output of excavator boom arms can reach 600 sets.

100% Service

1. Online support within 24 hours.
2. Appointment video technical support.

Production Advantages

Production Process

1. Panel is cut by CNC plasma machine with less deformation
 2. Each welder has more than ten years of experience to ensure stable quality
 3. environmentally friendly verified spraying room
 4. professional and beautiful paint finish
 5. three layers with four passes welding
 6. Graphite alloy copper sleeve
 7. Seamless precision steel pipe
 8. Centralized lubrication system
- The equipments we have:

Large double-sided floor boring machine

CNC plasma cutting machine

Automatic edge milling machine

Environmentally friendly spray booth

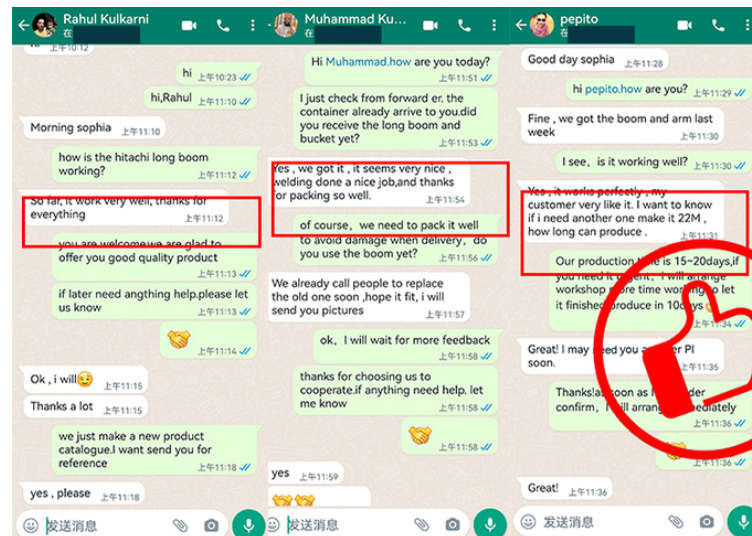

Certificates

Exhibition

Custom Feedback

Packing & Delivery

We use a variety of packing materials, including wooden crates, pallets, and other materials that are suitable for the specific product and shipment. Our team carefully inspects each package for quality assurance before shipping.

FAQ

1. Do you accept OEM? What is your minimum order quantity?

We accept OEM for every product that we produce. Only through mutual consultation can we meet all production requirements of our customers. The minimum order quantity is one piece or one unit.

2. Does your product have MOQ? How long is the production time?

Our production MOQ is 1pc , we accept custom design. With professional worker hard work and OT , our production time can shorten to 7~15 days , also will depend on the quantity you need . Details our sales will tell you.

3. What payment do you accept?

We accept TT transfer and alibaba pay , for TT , 30% deposit to arrange produce , 70% balance should be paid before send out the goods , for alibaba pay , we can make a trade assurance for you to pay .

4. Why should I buy from you but not other suppliers?

As you know , we are the original factory for long reach boom , our price is the best , there are many foreign trade company to ask us to quote the same product as our client , but finally client choose us , because we are the original factory , our price is the best , you can do business with us directly to save time and cost , don't need through others . 5.what after sale service can i get? Product get guarantee period , when you intalling our goods , we have engineer to guide you to make every step is going well.
