

High Quality Excavator Clamshell Bucket Clamshell Bucket Excavator Attachments for Excavator

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Zhonghe
- Certification: CE
- Minimum Order Quantity: 1 piece
- Price: \$2000/pieces
- Packaging Details: wood case
- Delivery Time: 5-10 work day
- Payment Terms: T/T
- Supply Ability: 50 Piece/Pieces per Month

Product Specification

- Name: Excavator Attachments
- Material: Q355B+NM400
- Bucket Capacity: 1.5m³
- Suitable Machine: 20-50 Ton Excavator
- Type: Clamshell Bucket
- Color: Customer Required
- Warranty: 3 Months
- Application: Crawler Excavator
- Weight: 650kg
- Condition: 100% new
- Packing: Wooden Box

Product Description

PRODUCT DESCRIPTION

Our Product Introduction

The clamshell bucket opens downward and has a large capacity, which allows a large amount of material to be loaded at one time. It is generally used for loading and unloading fertilizers, sand, other materials.

Item/Model	Unit	ZHCS04	ZHCS06	ZHCS08	ZHCS10
Suitable Excavator	ton	7-11	12-18	18-25	26-35
Weight	kg	800	1200	2000	2300
Opening	mm	1000	1500	2200	2300
Working Pressure	bar	180	210	250	250
Set Up Pressure	bar	250	290	320	340
Working Flow	lpm	190	210	220	240

Features of Clamshell Bucket

- * Grease can be added to ensure flexible operation.
- * Simple design, more stable and lighter.
- * Teeth base is made of wear-resistant material, which longer service life.
- * Double cylinder design to lower failure rate.
- * Arc-shaped design enhance loading and unloading efficiency.

COMPANY PROFILE

Advantages of ZHONGHE MACHINERY

CUSTOMIZATION

1. Applicable for all brand excavator.
2. Color, length, material can do according to you.
3. Extra pipeline can be added to suit to some extra application.
4. Boom cylinder and stick cylinder can also be supplied if customer want.

STRONG PRODUCTION CAPACITY

We can produce 50 sets excavator booms per month.
Our annual output of various types of excavator boom arms can reach 600 sets.

GOOD SERVICE

1. Online support within 24 hours.
2. Appointment video technical support.
(Our engineers have focused on excavator boom and attachment over 10 years)
3. Long excavator boom shall be two jointed pcs to make it fittable into container to save shipping cost.

WARRANTY

1 year for long reach boom, 180 days for cylinder and linkage, 90 days for bucket.

Founded in 2018, Zhonghe heavy industry independently develops and produces construction machinery parts such as excavator lengthening arm, mountain pulling arm, two-stage telescopic arm, sliding arm, three-stage telescopic arm, three-stage demolition arm, rock arm, tunnel arm, bucket, pile driving arm, wood grabber, steel grabber and scarifier. It is widely used in weathered stone crushing, subway construction, forestry logging, municipal pipeline engineering, river dredging, building demolition, Larsen steel sheet pile driving and pulling, pile foundation engineering, resource recovery and other engineering industries. The products are sold in more than 40 countries and regions. Provide one-year after-sales service with after-sales warranty and deliver on time. 24-hour online service can provide OEM production.

CUSTOMER FEEDBACK

FAQ

1. How do I start to order?

Firstly, talk to our sales about your machine model, working conditions, special needs and deadline. Then our sales will give you proposals FYR. You will receive a quotation within 24 Hours after confirming the proposal.

2. How can we guarantee quality?

Every single ZHONGHE product has been passed three-stage Quality Control System to ensure that is a qualified product before shipping.

3. Are you always delivered on time?

We can't promise about the freight but what we can do is shortening our lead time while keep the same quality level. So there will not be any problem even if the sea freight delay for a couple days. Our annual output of various types of excavator boom arms can reach 600 sets.

4. Why should I buy from you but not other suppliers?

We can give you a moderate price with the same quality as we are original manufacturer. We always use high quality material, professional design, keep high quality control during the industry.

5. What are your terms of payment?

We prefer T/T (50/50) through Ali Credit Insurance as a trial order.
