

Long Reach Demolition Excavator with Shear Heavy Duty

Our Product Introduction

for more products please visit us on excavatorlongarm.com

Basic Information

- Place of Origin: Guangdong Province, China
- Brand Name: Kaiping Zhonghe Machinery Manufacturing Co. Ltd
- Certification: Patents, ISO9001, CE
- Model Number: DZB0089
- Minimum Order Quantity: 1 set / piece
- Price: USD 199.00-USD10999.00
- Packaging Details: Bubble / Wooden Cases
- Delivery Time: 5-25/works
- Payment Terms: T/T, L/C
- Supply Ability: 5 sets per week

Product Specification

- Material: Q355B Or Q690D Or As You Request
- Long Reach: 10m 12m 15m 20m 25m 30m 32m
- Color: Red, Yellow, Blue White Customized
- Excavator Brand: Komatsu, Sany, Hitachi, Kobelco, Kato, Etc
- Can Carry Attachments: Shear, Crusher, Breaker, Etc
- Suitable Excavator Models: 20ton 30ton 40ton 45ton 50ton 60ton

Product Description

Overview of Excavator Pulverizer:

Introducing our Heavy Duty Excavator Pulverizer, the ultimate attachment designed to maximize your productivity and efficiency in demolition and recycling operations. This robust pulverizer is engineered to deliver outstanding performance, enabling you to tackle even the toughest materials with ease.

	Unit	JT02	JT04	JT06	JT08	JT08S	JT10

Key Features of Excavator Pulverizer:

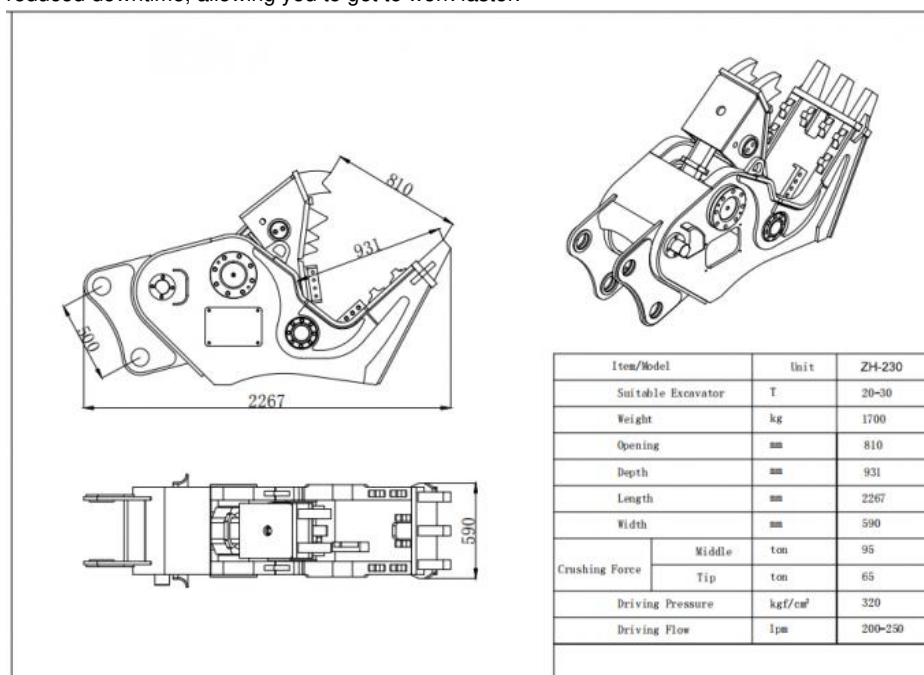

Superior Crushing Power: The excavator pulverizer is equipped with high-performance hydraulic cylinders, providing exceptional force for efficient material breakdown, including concrete, asphalt, and stone.

Durable Construction: Built with high-grade, abrasion-resistant materials, the pulverizer is designed to withstand the most demanding conditions, ensuring longevity and reduced maintenance costs.

Versatile Applications: Perfect for a variety of tasks such as demolition, recycling, and site preparation, this attachment can handle diverse work scenarios, enhancing the versatility of your excavator.

Precision Engineering: The pulverizer's precise design allows for controlled and efficient operation, enabling operators to process materials with accuracy, minimizing waste and optimizing performance.

Easy Installation: Designed for seamless attachment to most standard excavators, our pulverizer ensures quick setup and reduced downtime, allowing you to get to work faster.

Why Choose Our Excavator Pulverizer?

Upgrade your excavating capabilities with our Heavy Duty Excavator Pulverizer, specifically engineered for those who demand power and efficiency on the job site. Whether you're involved in heavy demolition work or material recycling, this attachment is your go-to solution for achieving exceptional results.

Specifications of Excavator Pulverizer:

Weight: 1ton - 5ton

Suitable Excavator Models: for 5ton - 60ton excavators

Transform your excavation projects today! Contact us for more details and discover how our Heavy Duty Excavator Pulverizer can enhance your operations.
